DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This is an attractive example of a local, frame bank barn. The building rests on a low, stone foundation, which allows for a frame stall area with end windows on the lower level. The siding is of narrow, vertical boards, and the roof is marked by ornate, metal finials that serve as vent-caps at either end of the barn.

The old log house of "Jake" Snyder stood across the road from the barn until it burned several years ago. This was a two-story, log house with clapboard siding and Victorian trim.
